Dear Soon-To-Be Third Graders:

I hope you are having a wonderful summer and I can't wait to hear all about your summer adventures on our first day together!

An extraordinary school year is just around the corner. I am thrilled and excited to be your third grade teacher! We are going to learn so many new and exciting things together.

I am looking forward to working with each of you this year! Can't wait to see you in Room 23!

Hugs and Smiles,

Mrs. Horowitz
