July 2021

Dear Families,

The summer presents us with an opportunity to learn about each other from afar. Whether your children are at home with you, away at camp, or you are travelling as a family, I encourage you to send me a letter.

As you know, the name of our school is changing to the Jeffrey Ratner Robert Seaman Elementary School in honor of a beloved educator ([Mr. Ratner](#)) and maintaining the name Robert Seaman ([reflecting the history of this area of Jericho](#)). A name has the ability to reveal a history, tradition, culture, or the passions and interests of our families.

As I am new to the community, I hope that you will share your names with me. Please include a picture of your family or just the children if the adults are camera shy (pets are welcomed in the picture as well). I welcome all information that will help me to better understand and get to know you and the Jeffrey Ratner Robert Seaman family [#JRRSfamily](#).

At the start of the school year, I hope to display and share the letters in some way and a ribbon cutting will be scheduled to introduce our new name to the community.

Sincerely,
Mrs. Kletter
